- Cost reduction

Training

- PLC- and HMI Customer- and Application-specific

Benchmarking

- Continual market surveys
- Specific product analysis

Control Systems

- Siemens S7
- IEC 61131 (CoDeSys)
- B&R Automation Studio
- Rockwell Allen Bradley

Human Machine Interface

- Siemens WinCC /WinCC flexibel
- CopaData zenOn
- Microinnovation Galileo
- Rockwell RSView
- Intellution iFix

Automation Pharma + Food

- EG-GMP / FDA 21 CFR Part 11
- BATCH-Control
- Validation of processes

Drive Control

- Servo und frequency inverter control

Data Processing

- Data base, VB-/C#-applications

Hardware Engineering

- Eplan 5.7 and P8
- E3

Switch Cabinet Assembly

- > 2000 switch cabinets/a
- One-piece and series assembly
- Assembly, testing, commissioning
- Specific regulations (UL, CSA, etc.)

Efficient production

- Perforex Machining Centre
Precision and constant quality
with by use of CAD-Tools
- Wire-Labeling with Cable-Routing

Assembly and Commissioning

- Worldwide commissioning

Quality Management System

- Certified according
ISO9001:2008

Service Worldwide

- Remote control access
- Benninger spare parts logistics
- Support with local employees
- Ressources and locations worldwide

Retrofit

- Modernization of PLC, HMI and
Automation-Periphery
- Planning, realization and starting up

Decide in favor for Benninger.
